

Pain Diagram

NAME: _____ DATE: _____

KEY: ///// STABBING | XXXX BURNING | 0000 PINS & NEEDLES | ===== NUMBNESS | ++++ ACHING

Mark pain level TWICE between 0 and 10, with first number being the worst it's been recently, and the second number being your pain level right now.

PAIN LEVEL:

0 = No Pain

1 = Mild Pain; you are aware of it, but it doesn't bother you.

2 = Moderate pain that you can tolerate without medication.

3 = Moderate pain that requires medication to tolerate.

4-5 = More severe pain; you begin to feel antisocial.

6 = Severe pain.

7-9 = Intensely severe pain.

10 = Most severe pain; Emergency Room Care.
